SUPPLEMENT TO
REPORT NO.SJD
202
2

In June 1950 there were 7,100 laborers employed at the Tabacaria Talpa factory making boots, shoes and harnesses. The production since 1 August 1950 has been 34,000 pairs of shoes per month because of a Government order demanding an increase in production. The production has been going mostly to the Rumanian Army with some going to civilians from the various state enterprises.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
